What is an Interim Management position?

The Interim Management position consist of the leasing of a manager at an Executive and Senior Management level for a fixed period (i.e. short to medium term).

Allowing Clients to overcome staff shortages or temporary changes due to change implementation, restructuring, unexpected gaps or new projects. Typically as a result of:

- Business development or Redundancies
- Rapid expansion
- New products
- Mergers/Acquisitions
- Business improvement
- Joint Ventures
- Corporate Crisis / Corporate Function Skill Gap

Thus, ensuring a smooth running of an organization.

Why Use Interim Managers?

1. At very short notice you get a seasoned, high caliber, heavyweight, experienced, all-in-one project manager/consultant/executive working at a very senior level.
2. They are pre-vetted and handpicked for you.
3. Hired for 2 – 9 months so allows your organization to deliver results without the fixed costs of a full-time permanent employee and upskilling time
4. Ideal for project back-fill, adds extra impetus, extra help in a crisis or time of change, and unexpected senior departure
5. Generally 'over-qualified' for the position so you get fast results and deliverable focused on achieving results immediately

COST EFFECTIVE EXPERT ADVICE/SUPPORT

Why Use Interim Managers?

6. Proven track record – careers are based on referrals and staying in vetted resource pool
7. Bring an external view & objectivity along with many years of experience
8. Transfer knowledge to your permanent team
9. Take ownership of the role and provide more than recommendations – which sets them apart from management consultants [they have the consulting experience with the implementation know how] – they are accountable for results
